### Call for Evaluators to register in a new Database of Evaluators - EVAL-INCO

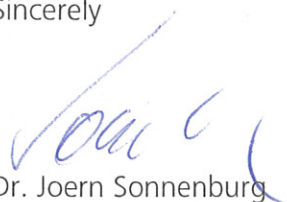

Dear Madam,  
Dear Sir,

The International Bureau of the German Federal Ministry of Education and Research (BMBF) at German Aerospace Center (DLR) manages bilateral and multilateral joint calls for research proposals with a number of countries/regions worldwide. It is also involved in several international cooperation projects under the 7th European Framework Programme for Research (FP7). In particular, DLR is entrusted the management of joint calls of so-called ERA.NET projects.

In order to manage these ERA.NET projects, DLR is currently in the process of further building-up its database of evaluators (EVAL-INCO), and therefore, we would like to kindly invite you to register as an evaluator in our database at <http://www.internationales-buero.de/gutachter/?source=BSERA>.

In case of any question you may have, please contact Mr. Andreas Kahle at the International Bureau of the Federal Ministry of Education and Research at the Project Management Agency c/o German Aerospace Center (DLR), phone: +49 228 3821-829, e-mail: andreas.kahle@dlr.de.

Sincerely

  
Dr. Joern Sonnenburg  
International Bureau  
Director
