

## **S&T INTERNATIONAL COOPERATION NETWORK FOR EASTERN EUROPEAN AND CENTRAL ASIAN COUNTRIES**

### **The European Union Seventh Framework Programme for Research and Technological Development The “People” Programme**

The following information about available research job vacancies is presented below. All these vacancies are open to all interested researchers.

Early-stage researchers are defined as those who are in the first four years (full-time equivalent) of their research careers.

Experienced researchers must either be in possession of a doctoral degree, irrespective of the time taken to acquire it, or have at least four years of full-time equivalent research experience, including the period of early stage research defined above

#### **Medical Sciences**

[RegenMed](#) (FP6 - Marie Curie “Research Training Networks”) invites early-stage researchers in Regenerative Medicine. Application deadline is **1 of April 2009**. Applications should be sent by email to the Centre for Ecological and Evolutionary Synthesis at the University of Bath, UK. The programme is a full time and lasts one year. [For further information, please visit EURAXESS web-page.](#)

#### **Biological Sciences**

Irish University Associations invites early-stage researchers for PhD programme in Molecular Neuroscience. Applications should be sent by email to Royal College of Surgeons in Ireland, Dublin, Ireland. Application deadline is **1 of March 2009**. The length of individual appointment is 3 years. [For further information, please visit EURAXESS web-page.](#)

#### **Computer Science**

Norwegian University of Science and Technology (NTNU) invites early-stage researchers for PhD programme in Cryptology and Coding. Application deadline is **4 of March 2009**. Applications should be sent by email to Faculty of Information Technology, Mathematics and Electrical Engineering, NTNU, Trondheim, Norway. The length of individual appointment is 4 years. [For further information, please visit EURAXESS web-page.](#)

## Physics

[GRASP](#) (FP6 - Marie Curie “Research Training Networks”) invites *experienced researchers* in Use of Gravity Gradiometry for Monitoring of CO<sub>2</sub> Geological Storage. Application deadline is **28 of February 2009**. Applications should be sent by email to Research Center on Geological Storage of CO<sub>2</sub> at the Institut de Physique du Globe de Paris, France. The length of individual appointment will be limited to 18 months. [For further information, please visit EURAXESS web-page.](#)

## Engineering

University of Liège invites *experienced researchers* in Modeling of Micro-electro-mechanical Systems. Application deadline is **1 of April 2009**. Applications should be sent by email to the University of Liège, Belgium. The length of individual appointment will be limited to 24 months. [For further information, please visit EURAXESS web-page.](#)

## Environmental Science

[GREENFLUX](#) (FP6 - Marie Curie “Transfer of Knowledge”) invites *experienced researchers* (with more than ten years of full-time equivalent research experience) in Global Change. Application deadline is **30 of June 2009**. Applications should be sent by email to the Department of Agrometeorology at the Agricultural University of Poznan, Poland. The length of individual appointment will be limited to 2 months. [For further information, please visit web-page.](#)

## Chemistry

[IMPRS-SurMat](#) project of Max Planck Institute for Iron Research, Düsseldorf, Germany invites *early-stage researchers* for PhD programme in Coating and Analysis of Steel Surfaces. Application deadline is **30 of April 2009**. Applications should be sent via project’s web-site. The length of individual appointment will be limited to 3 years. [For further information, please visit EURAXESS web-page.](#)

Information about all available vacancies in all research fields can be found at the Section “[Jobs](#)” of the EURAXESS web page.

Newsletter is prepared with the use of web-site EURAXESS within the project «S&T International Cooperation Network for Eastern European and Central Asian Countries» IncoNet EECA ([www.inco-eeeca.net](http://www.inco-eeeca.net)) financed by European Union.
