24.03.2010

### **Announcement**

Dear Colleagues:

We invite you to submit your research paper or review to the Special Issue of *Journal of Nanoelectronics and Optoelectronics* with tentative title **“Physical Properties and Applications of Semiconductor Nanostructures”**, a cross-disciplinary peer-reviewed journal cited by the Science Citation Index (SCI) (2008 ISI Impact factor = 1.038) and published by the “American Scientific Publishers”. The participation of foreign co-authors is appreciated.

The articles should be prepared conform all journal rules (please see “Instruction for Authors”: <http://www.aspbs.com/jno/>, except the subsection **“SUBMISSION OF MANUSCRIPT”**) and submitted **before July, 30** to e-mail: [dlnika@yahoo.com](mailto:dlnika@yahoo.com). *Please do not submit articles for the special issue directly to the editorial-chief of JNO.*

The special issue is planned to be published in the end of 2010.

Sincerely,

Evghenii P. Pokatilov  
and Denis L. Nika  
Guest Editors.
