

Information meeting on the FP7 ERA-WIDE call

Call for proposals "Integrating Europe's neighbours into the European Research Area" FP7-INCO-2010-6, ERA-WIDE

EU Delegation, Kiev
20 November 2009

The ERA-WIDE activity aims at reinforcing the cooperation capacity of research centres of proven high level S&T capacities located in the ENP countries with research centres in Member States or Associated Countries. The proposal submission deadline is the 19th of January 2010.

The European Commission will hold on 20 November 2009 in Kiev an information meeting for potential applicants. The targeted participants are representatives of scientific research centres of high level S&T capacities, as well as delegates of the FP7 Contact Points from Ukraine, Armenia, Azerbaijan, Belarus, Georgia, and Moldova.
